Dear Mr Wright

Thank you for your e mail of 3 December 2008. Please accept our apologies for the delay in reply: due to the high volume of enquiries received by our offices we currently have a backlog we are working to clear.

We are grateful to receive the documentary evidence you have provided to support your request to amend our record of Gunner G Streatham, who is buried in Darlaston (James Bridge) Cemetery, West Midlands.

The documentation has been reviewed and it has been decided that before we proceed further, we will apply to an outside source to attempt to obtain confirmation of Gunner Streatham's correct surname, rank and date of death.

I will of course write again when I have further news with regard to the matter.

Yours sincerely,

[REDACTED]
